Discontinuation

JVOP-KPLCC04ABA

Bluetooth LCD Keypad Option

10/2026 | V1

Product Lifecycle Change Information

The JVOP-KPLCC04ABA LCD Bluetooth Operator Option, designed for use with the Yaskawa inverter series GA700, CR700 and LA700, will be discontinued as part of the ongoing optimization of Yaskawa Europe's drive portfolio.

The Last Time Buy (LTB) date is June 2027. Final customer deliveries are expected to be completed by October 2027. All confirmed customer orders will continue to be processed and delivered according to the agreed schedule.

Repair and Spare Parts

For more information on the availability services like spare parts or repair please contact [Yaskawa Support](#) or use the [contact form](#) on our website.

General Information Support Availability

During the phase-out period, Yaskawa cannot guarantee full product support, such as replacement possibilities, due to limited component availability.

Note that manufacturers supplying components which are necessary for replacement or repair may discontinue production prior to Yaskawa phase-out of spare parts supply or repair timeline.

For more information on the availability services like spare parts or repair please contact **Yaskawa Support** or use the **contact form** on our website.
