

May 26th, 2023

To our valued Clients and Partners:

Yaskawa PS 307-1BA00 phase-out schedule – End of Life notification

Effective immediately, we are announcing the discontinuation of the Yaskawa power supply mentioned in the list below.

There will not be any available successor products provided by YASKAWA.

The availability of these products is guaranteed according to the following plan:

Yaskawa 300S POWER SUPPLY					
Article No.	Successor Product	Successor Availability	Alternative Product	Last Time Buy	Last Time Ship
307-1BA00 (AC 100...240 V, DC 24V, 2.5A)	no	no	307-1EA00 307-1KA00	while stock lasts	while stock lasts

Please note:

For new projects, you have at your disposal two alternatives:

1. Yaskawa 307-1EA00. (AC 120...230V, DC 24V, **5A**, 50/60Hz switchable)
