

October 26th, 2023

To our valued Clients and Partners:

FLB3205 - Flexy Option 4G NA phase-out schedule – End of Life notification

Effective immediately, we are announcing the discontinuation of the HMS / eWON article FLB3205 – Flexy Option 4G NA.

The available successor product will be the HMS / eWON article FLB3208.

The availability of FLB3205 is guaranteed according to the following plan:

FLB3205 – Flexy Option 4G NA				
Article No.	Successor Product	Successor Availability	Last Time Buy	Last Time Ship
FLB3205	FLB3208	01/2024	12/2023	while stock lasts

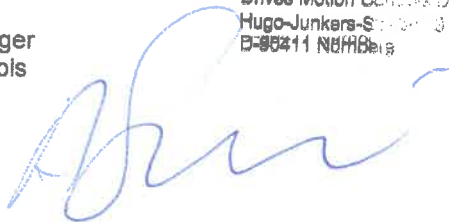

For any questions, please contact your regional sales contact person.

We would like to draw your attention to the fact that this new extension card, certified AT&T, will require the usage of the Flexy Firmware version 14.8S0, which will be officially released for this product launch end of the year 2023.

For technical question please contact the Service / Support:
