Subject: Compliance of Heine products with the REACH regulation (1907/2006/EC)

Heine Resistors GmbH certifies that all Heine products, which are manufactured or sold in European Economic Area, are compliant to the regulation (EC) No 1907/2006 also known as "REACH".

As far as Heine Resistors GmbH has to fulfill information obligations in the supply chain according to Articles 31 et seq. REACH, we naturally comply with these properly. This means in particular that we meet these obligations in full and on time.

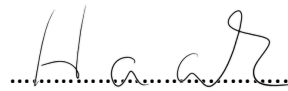

Heine Resistors GmbH is monitoring all changes to the REACH regulation continuously and is additionally working on fully eliminating the use of candidate list Substances of Very High Concern (SVHCs) in Heine products.

Substances of Very High Concern (SVHCs) from the ECHA website 2021 are not present in Heine Resistors' products.

Sincerely,

Dipl.-Ing. (FH) Thomas Knothe
Quality Manager
